TOTAL HOURS		250.50 hours	

The Systemic Constellation Facilitator Training is a strength-based training. It takes your strengths as a practitioner in the community and expands training to suit your needs and the sector of the community you are looking to address. Therefore updates to different modules may change depending on the needs of the participants.

Please note that we may have a number of people coming from interstate. The students from Melbourne have an option to do a couple of units in Melbourne. See calendar for details.
